

The 8 Timestables

by Kathleen Wiley

Jessica looks just so pristine... 8×2 know is 16.
She's the one we all adore!! 8×3 is 24.
We hope all her dreams come true!! 8×4 is 32.
She now drives a car that's sporty!!! 8×5 know is 40,
She looks like a fashion plate.... 8×6 is 48.
Wish I knew her bag of tricks!! 8×7 is 56.
But she's kind...and what is more.... 8×8 is 64.
She's a friend to me and you.... 8×9 is 72.
We're glad she is such a lady., 8×10 we know is 80.
