

'S

by Kathleen Wiley

'S the very best
Means IS or BELONGS TO ONE
S' means BELONGS TO 3 (or 2 or 101)

But the pronoun IT
Is very fit
And it needs only S
Except when meaning is of course
And then it's 'S

So, belongs to it
Is very fit
It's only I T S
And why that's so
We'll never know
We're just glad we don't have to guess!
