

Antonyms

by Kathleen Wiley

Antonyms are opposites like UP and DOWN...
Antonyms are opposites like LOST and FOUND...
Antonyms are opposites so listen to me say...
That antonyms are opposites....
It happens every day.

IN and OUT and OVER...UNDER....
TOP and BOTTOM too
FAST and SLOW and STOP and GO
Are antonyms for you.

LEFT and RIGHT and RIGHT and WRONG...
We could go on all day....
'Cause antonyms are opposites...
And sometimes WORK is PLAY!!!!
