

# Prepositions

by Kathleen Wiley

When learning prepositions, they're so many there for me...

**About, above, across, after...**There's lots more that I see...

**Against, along, amid, among, around, as, at, before..**

When looking at this list I wonder 'Wow!! How many more?'

**Below, beneath, beside, between, beyond** and then there's **by**

**Concerning** and **considering** I learn but don't know why...

**Despite, down, during, except, for, from, in, inside, into...**

**Like, near, of, off, on, onto, out, outside...**What can I do?...

There's **over, past, regarding, round, since, through, throughout, till, toward**

**Under, unlike, until, unto, up, upon, with....**There's more...

There's **within** and **without**...and now we've learned this little list

Of prepositions and I see what fun this really is!!!
