

# Similes

Similes..... compare.....two things using like or as....  
Similes.... compare.....two things using like or as....

The dog's as big as a house  
As timid as a mouse  
As tough as nails  
As skinny as a rail

The cat's as hard as a brick  
As straight as a stick  
As deaf as a post  
As silent as a ghost...

Similes..... compare.....two things using as or like....  
Similes.... compare.....two things using as or like....

So we've got buried like treasure....  
Fickle like the weather....  
Quiet like a tomb...  
Black like gloom...

Slow like Christmas...  
Thick like molasses...  
Hot like steam...  
Thick like cream...

Similes..... compare.....two things using like or as.  
So when you compare.....use these similes you now have.
