Now an action word.....we call that a verb...you see....for you and me....
Yes, an action word.....we call that a verb...you see....for you and me....
So let's learn a few...and we'll see if you.... agree..... that this is fun...
We'll learn lots of verbs....all the action words.....They're a ton....We've just begun....

Jump we know's an action word....
Jumps is the present tense we heard....
Jumped is the past tense....(Future tense
Is will jump but just be aware they're other tenses out there....)

Play we know's an action word....
Plays is the present tense we heard....
Played is the past tense....(Future tense
Is will play but just be aware they're other tenses out there...)

Smile we know's an action word
Smiles is the present tense we heard
Smiled is the past tense... (Future tense
Is will smile but be just aware they're other tenses out there....)

And so on it goes....without verbal woes...we see....for you and me.....
That verbs are formed....often in the norm....easily...so easily...
But sometimes a verb..... uses different words..... we know..... that this is so....
But we'll learn them too...(That's English for you!!!!)..So go...Show what you know!!!
