

## Partner Reading

by Kathleen Wiley

Partner reading, partner reading, you and me, you and me.  
We can both read together, in all kinds of weather, quietly, silently.  
We can both share a book, I can read, you can look.  
Or, we'll both read alternately. But unison is my favorite one.  
Come on, now, let's have some fun, and partner read, partner read.  
Get a friend and a book, and go read in a cozy nook.  
Partner read, partner read, partner read right now.

## P.E.

by Kathleen Wiley

P.E. that's for me  
P.E. is fun, you see.  
We will play with balls, but not in the halls  
We'll run outside or within the walls of the gym.  
P.E.
