

Recess

by Kathleen Wiley

Recess, everybody out!
Recess cause it's time to run and shout.
You can jump a rope, discuss your hopes,
Or play on a swing,
'Cause going out to recess is a very good thing.
Recess, everybody out! 'Cause it's recess
And it's time to run and shout.
You can race and skip and play games
And make friends all day
If you take the opportunity to play outside today!

Somebody's In My Chair

by Kathleen Wiley

Don't tell your teacher about a chair,
'Cause (she'll/he'll) tell you (she/he) doesn't care.
Other chairs are everywhere so get one!
