

## Waiting In The Hall

by Kathleen Wiley

Backs against the wall  
That is really all I want  
To see in the hall.  
Backs against the wall is all  
I want to see in the hall  
Is backs against the wall.

## Walking In The Hall

by Kathleen Wiley

Well, we're walking. Yes, we're walking.  
Like a panther or a lioness who's stalking.  
We keep our bodies quiet in the hall.  
To recess or to lunch, we are a quiet bunch,  
And no one hears us coming at all.  
'Cause we're walking. Yes, we're walking.  
And nobody will ever hear us talking.  
'Cause we're ever so quiet in the halls,  
You never need to fear, 'cause us you'll never hear.  
We're as quiet as a fly on a wall. Shhh!!
