

WHISPER PLEASE!!!

by Kathleen Wiley

Oh, dear!!! There's talking and it's 'you know where...'
Whispering is what I want to hear....
Please help us to have a quiet classroom....
I'll try to whisper....if you will try too....
Quiet workers are a joy to see.....
And quiet workers won't annoy me....
Please cooperate and whisper too....
So I'll be proud of you.....
Because you tried!!!!!!
