

Prefixes

by Kathleen Wiley

Prefixes come at the front of a word... Prefixes change words some...
The most common prefixes we see today are RE PRE and DIS and Un...

RE means again like reread and redo... Pre means before you see...
Prewash, prewrite, preshrunk, preview In front of each word....is PRE....

DIS just means NOT as in disagree and then there's disappear...
UN means not so we have Unlike, and Unlucky
These are prefixes we hear.
