

# School Song

by Kathleen Wiley

We're a school of cultures...a school of change...  
We have many traditions that have full range...  
And we'll share them with you so that you can be too  
Part of our great world.

YOU'RE LIKE ME...AND I'M LIKE YOU....  
BUT WE ALL ARE DIFFERENT TOO!!!  
AND TOGETHER WE CAN CHOOSE  
TO MAKE A BETTER WORLD.

We are at (SCHOOL NAME) for a space of time...  
Then we move on and travel to different climes...  
But our friendships remain....
